

How to find publicly available documents filed in Tessera's current ITC actions. You will need to register to gain access to the documents.

1. Go to <http://usitc.gov/>
2. Click on the Electronic Document Information System (EDIS) link on the right hand side.
3. Click on the Register link on the right hand side.
4. Once registered, go to the EDIS Login page.
5. Type in your username, password and the security word.
6. Click on the Advanced Search Quick Link. This should take you to the EDIS External Advanced Search page.
7. For the "**Wireless**" Action, type in "337-605" in the Investigation Number search box.
8. For the "**DRAM**" Action, type in "337-630" in the Investigation Number search box.
